

Parent(s),

We understand that summer is a busy time, however, we want to reward students that make attending summer school a priority.

All children who have 100% attendance each week will be treated to a POOL PARTY at the conclusion of that week! (Please look at the schedule below to see what dates "the week" will consist of. **EVERY DAY COUNTS towards an incentive!**) We will have a "special treat" on the last day of summer school (June 22) for any student not missing more than 2 combined days of summer school. **Keep in mind that leaving early or arriving late, will be figured into your attendance rate.** We understand that all absences are important for various reasons, therefore, **ALL** absences (including, but not limited to, dr appts, funerals, dentists, illness, etc...) will be treated the same.

To be eligible for the **June 1** pool party, eligible students must have 100% attendance on **5/29, 5/30 and 5/31**).

To be eligible for the **June 8** pool party, eligible students must have 100% attendance on **6/1, 6/4, 6/5, 6/6 and 6/7**).

To be eligible for the **June 15** pool party, eligible students must have 100% attendance on **6/8, 6/11, 6/12, 6/13 and 6/14**).

To be eligible for the **June 22** reward, eligible students can NOT be absent more than 2 full days throughout summer school. (As with all parties, leaving early and arriving late are factored into attendance.)

WHEN: Friday - June 1, June 8, June 15*. (Hermann Pool)
Friday - June 22 (Possible: Movie/Park/?)
***All dates/incentives are subject to change due to weather.**

COST: \$3 per child (students can use their pool pass which they can get at a reduced rate if attending summer school)

Students that remain at school during rewards, are not punished in any way. Any student or parent may request to stay at school, instead of attending the scheduled reward. During the reward time at school, we will do other fun activities students enjoy like extra recess, games, movies, etc...

Please sign the attached permission slip and return it with your summer school registration information. We will keep this on file for each field trip. We will send a note the day prior to each pool incentive to remind you to have your child dressed appropriately and wear sunscreen, if your child is eligible.

If you have any questions please call the elementary office at 486-3197 ext. 2402.

Maranda Anderson
